Chris
I know you my
long time and I
thought you were
real nice. We
are can be good
friends. I hope you
will be along
and I will not
forget you.

Chris
I know you
that long. But
I hope we can
still be friends.
Good luck with
the boys friends
I hope you
have some
glad I'm
my friend
even if you
have some
bad times
I still really
like you. I
would like to
see you one
again. Best
friends.

Cindy

Chris
We've been
friends along into
time. We got but we
a few fights but friends
usually became stay friends
I hope we can stay friends
I hope long
for

Chris,
A nice ~~girl~~
sweet girl
that's been
nice to me
fred k.

Chris,
Linda & I have
been good along
time & that's why a
you friend
Yannick

Chris,
you are the
only girl I
have ever
been really
close to and
I hope it stays
that way.

REEDS SPRING R-IV SCHOOL
REEDS SPRING, MISSOURI 65737
VOLUME XXXIX
1978-79

THE WOLFPACK

IS BACK

The main purpose of the seventy-eight, seventy-nine yearbook was to introduce a "spirit book." The yearbook staff wanted to put more emphasis on the lives of students and the school.

There were several "spirit generators" throughout the school year. One of the first was T. W. Pib. This idea came from the staff, and stands for "The Wolfpack Is Back." T. W. Pib brought back the traditional school colors, mascot, and title for the last R.S.H.S. yearbook of the Seventies.

There were other "spirit generators" throughout the year. Some of the highlights

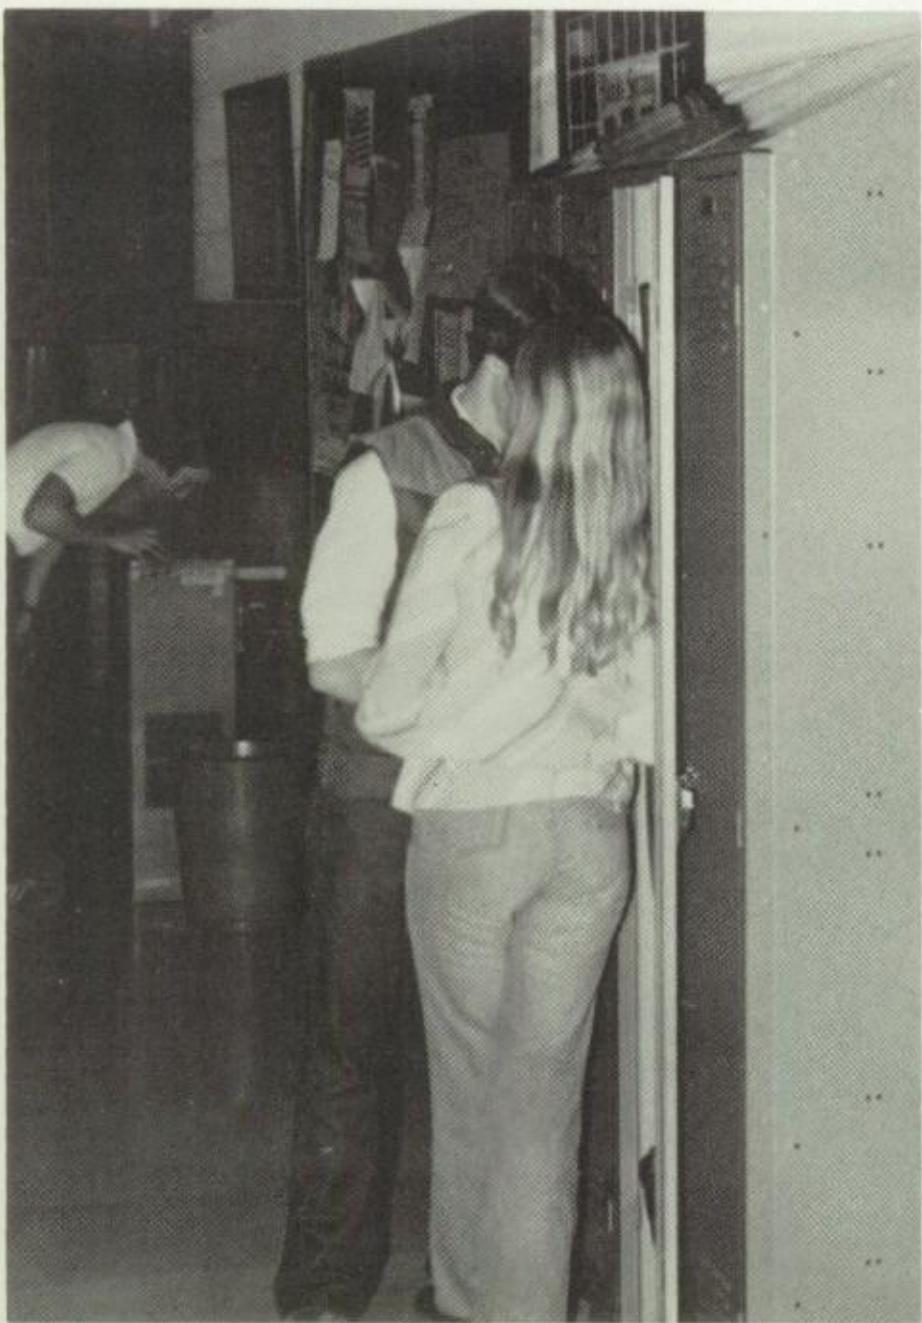

were the new addition to the high school; the second annual football victory over Branson; the snowstorm that kept us out of school for nineteen days; the varsity basketball girls placing second at State; football and basketball homecomings and the day we all took shelter during not one, but two tornado warnings.

The seventy-eight, seventy-nine yearbook staff worked toward a book different from those in the past, yet one that had tradition. The Wolfpack staff as a whole hopes that you enjoy your yearbook.

T. W. PIB

SENIORS SHINE IN SEVENTY-NINE

MOTTO: We Will Never Pass This Way Again

COLORS: Dark Blue & Gold

FLOWER: Forget-me-nots

BUILD YOURSELF A DREAM

Sometimes when you're feeling blue
Try this little scheme,
Instead of sorting through your cares,
Build yourself a dream . . .

Think it over once or twice—
Why not pick and choose?
The goal you plan should be the kind,
That you really can use!
Then think of something positive,
That you yourself can do.
To put those things in motion,
That will make your dream come true!

Doris Faluhabur

Senior class sponsors for 79 were Carl Langly, Peggy Emerson, and Doyle Childers.

Seniors Strive . . .

The 1979 seniors were kept busy this year by many spectacular money making projects. In the fall they fell right into the football concession stand. This kept them tied up until basketball season when they sprang into the popcorn stand with excitement. Many

times the seniors who were supposed to work didn't ever show up so the faithful senior president and the roving senior secretary took over to bring a few more dollars into the senior fund. Seniors also sponsored Snowball King and Queen, the play "You Can't

Take it With You", and played cupid on Valentines Day, by selling Valentines to the students. All in all, the 1979 seniors have been an active and respectable class. We were proud this year to say these are our seniors.

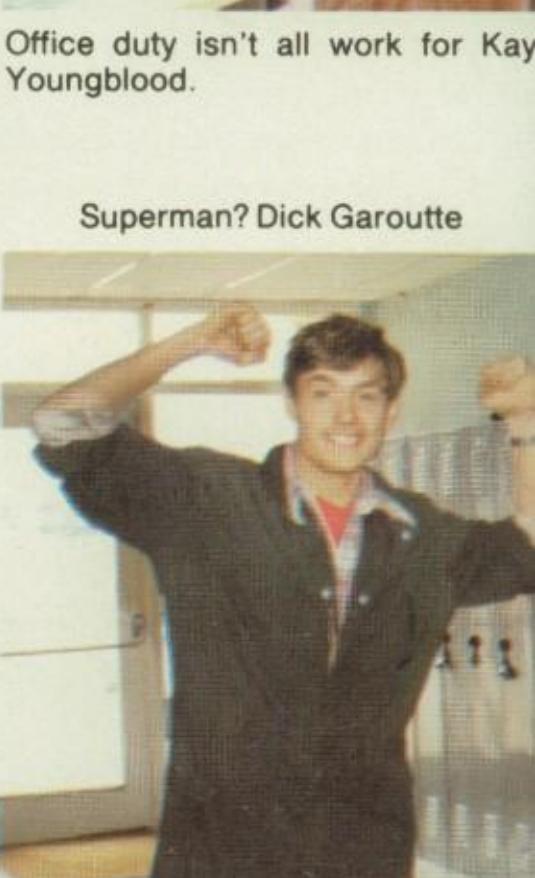

I.M., Scott, Matt, Darin, Jim, and Rob welcome all visitors to Reeds Spring High.

Office duty isn't all work for Kay Youngblood.

Carlos tells Mike and Dennis what he thinks about getting his picture taken.

and his Dr. Pepper Queen, Julie Stewart.

Jim Hollinger munches on his cherry pie and doesn't offer anyone else a bite.

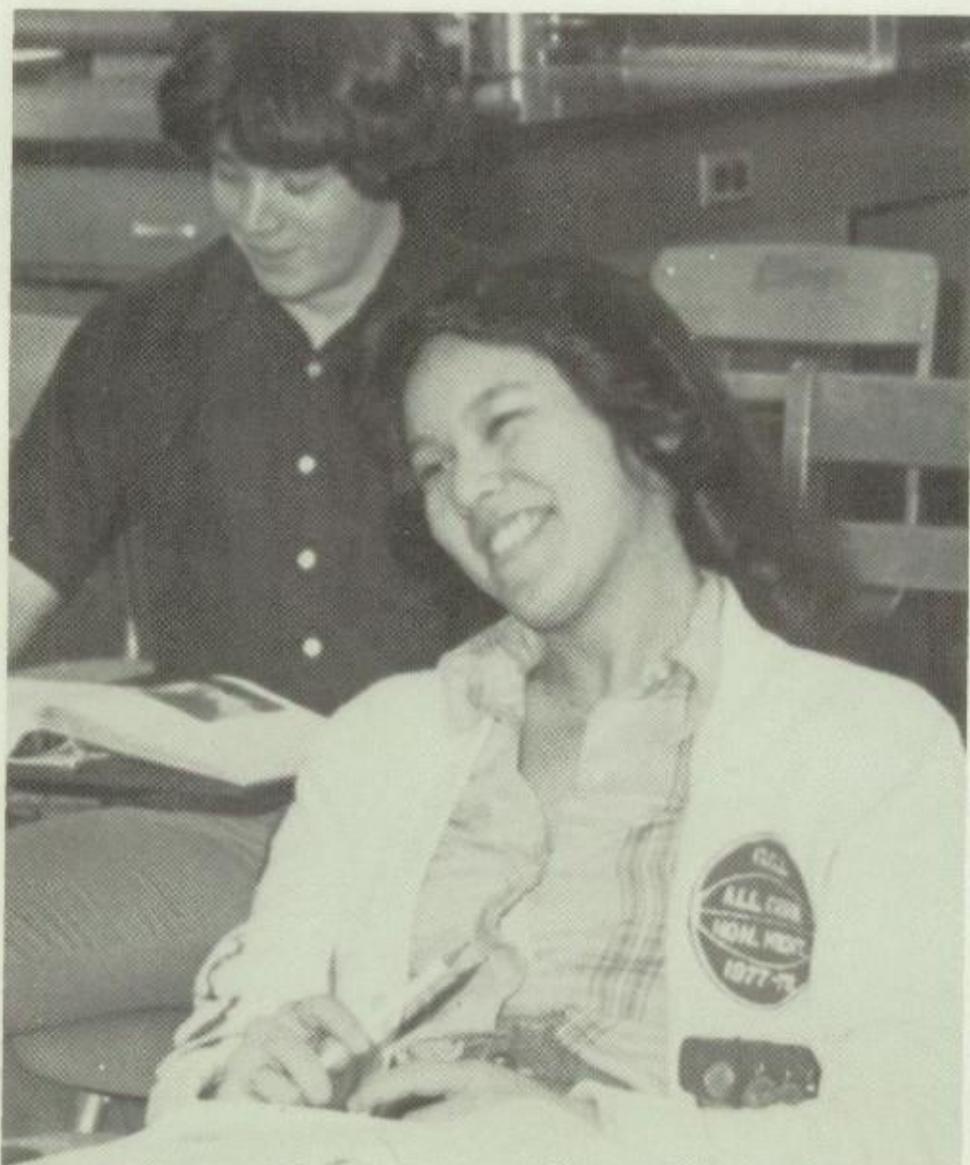

Jeff Young says, "Hit it and get it".

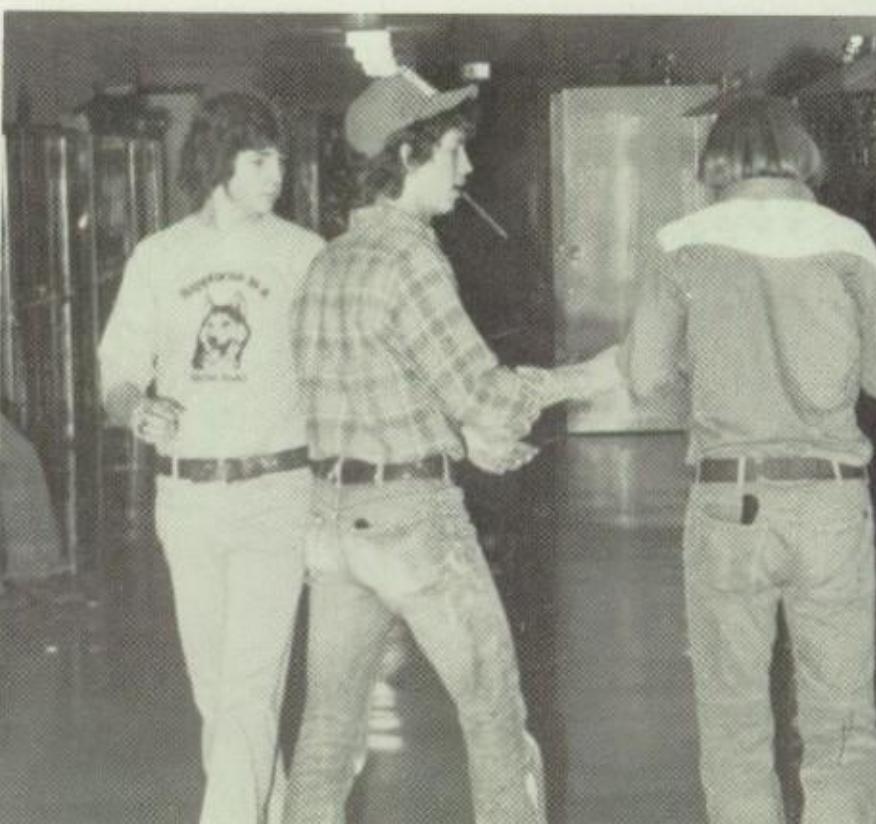

Oh Whow! We love this class!

"Gosh my nails are so pretty".

Sandy Richardson looks like she just said something she shouldn't have!

Matt and Jim hustle Chris.

Mike Barnes "monkeys" around in Physics class.

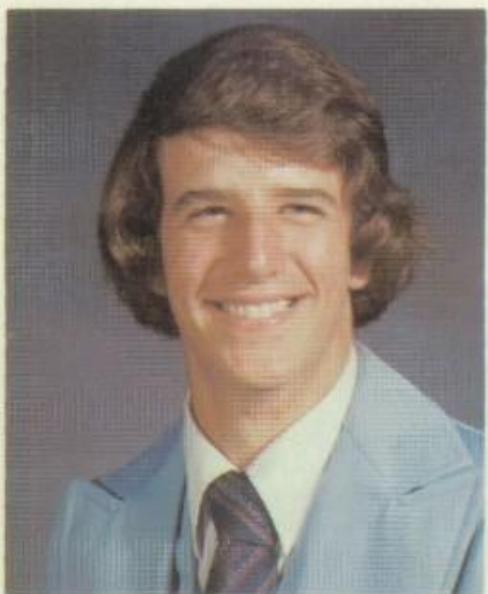

Glenn Loucks explains a new theorem to the teacher.

Senioritis is catching up with Sember.

No one seems to like the idea at this class meeting.

ADMINISTRATION AND FACULTY

School Board Opens New Section

The major accomplishment of the School Board this year was the opening of the new section of the High School in September 1978.

The new addition consists of three new classrooms, an elevator, teachers' lounge, vice-principal's office, counselor's

office, resource room, and health room. Also added was a new shop, a weightlifting room, and a well-equipped library.

SCHOOL BOARD MEMBERS: Front Row: Janet Duvall, David Strohm. Back Row: Omar Gibson, Superintendent; Keith Patrick, Ken Runge, Alden Hembree, Doug Stone.

Secretary to Superintendent, Kathleen Hembree.

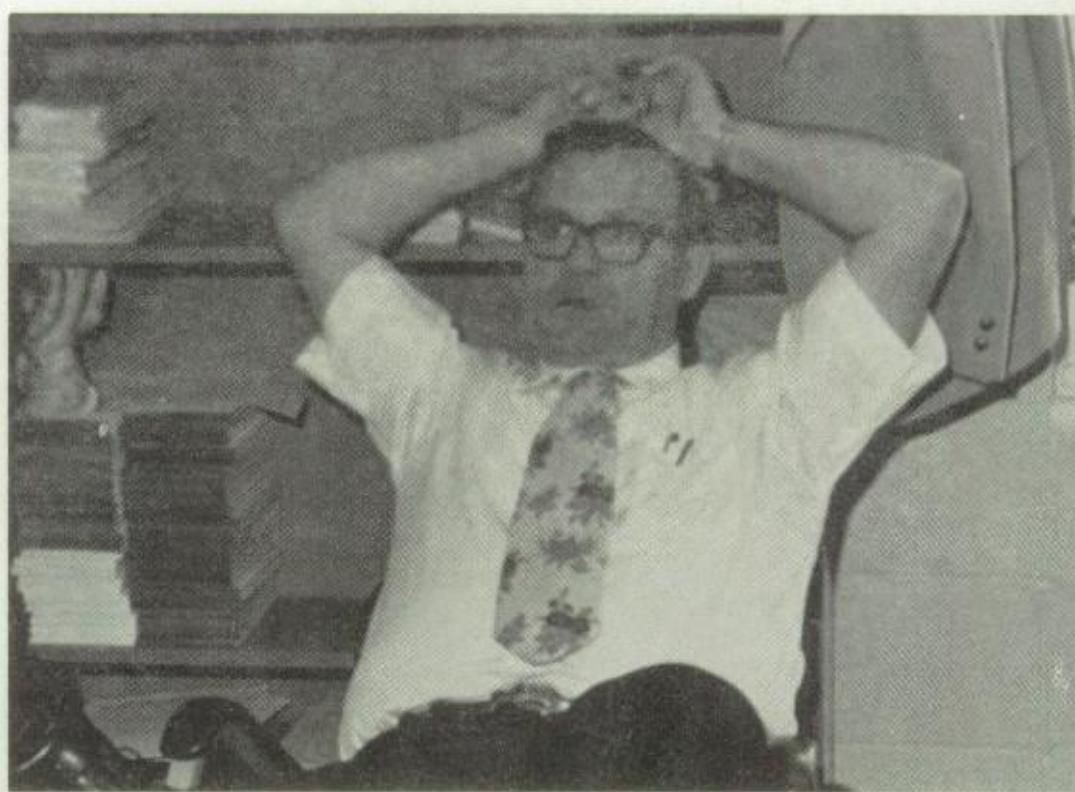

Superintendent, Omar Gibson.

Take on New Dimensions

Due to the increase of students at RSHS, the school has taken on added dimensions. For instance, the new PA system allows students to listen to music during free classes and teachers can be reached at the touch of a button. Along with the PA system, there were several new classes. Among these were: Advanced Skills, Ancient History, Sociology, Advanced Art, Photography and Foods.

New activities at the Junior High fostered student involvement. The new student council provided a means of participation in the governmental process. Junior Beta was inaugurated to recognize academic achievement. Also, the students were able to read about these and other developments in their new monthly paper, *The Wolves' Street Journal*.

The Elementary School has taken several steps to put students on the path to quality education. Besides the new nature trail, the school now features a counselor and a learning disabilities department for kindergarten and first grade.

CLUBS AND ORGANIZATIONS

HERE ALL PEPPERS

Pep Club members took on a new name — Reeds Spring Peppers, and that they are. This was proved through their participation in building spirit. They came to games in red and white "Pepper" T-shirts to help the cheerleaders' voices.

There were a number of activities sponsored by Pep Club, the main one being Spirit Week, celebrated by class competition in hall decorating,

and selling bumper stickers and spirit links during Homecomings. When Valentine's Day came they sold flowers for people to give to their sweethearts. Pep Club followed the girls basketball team to Kirksville to cheer them on. Even after basketball was over, they got together in the "Anything Goes" contest.

This year special Pep certificates were given to one mem-

ber of each class for their spirit. Congratulations to Sherry Stone — Fresh., Teresa Spicer — Soph., Kathy Montileone — Jr., Janey Hynek — Sr., and to Tammy Baker for winning the cheerleading medal.

Pep Club has done a great job, and a lot of thanks should be given to their sponsor, Mrs. England, for all her time and patience.

Front Row: Melanie Wolfe — Treas., Sherry Stone — Sec., Mrs. England — Spon., Janet Hynek — Pres., Teresa Spicer — V. Pres. Second Row: DeAnna vonThun, Lynette Betz, Anna Grove, Sember Trogner, Connie Mitzelfelt, Vicki Jones, Lisa Davis, Carrie Anderson, Sue Keller, Gail Disharoon, Jane Derflinger, Debbie Maier, Debbie Mitzelfelt, Carrie Rauch, Susan Gryzmala. Letterman's Club

This year the Letterman's Club was under the leadership of Coach John Emmons. Their money-making project was selling candles to purchase trophies for the athletic banquet. Each year the

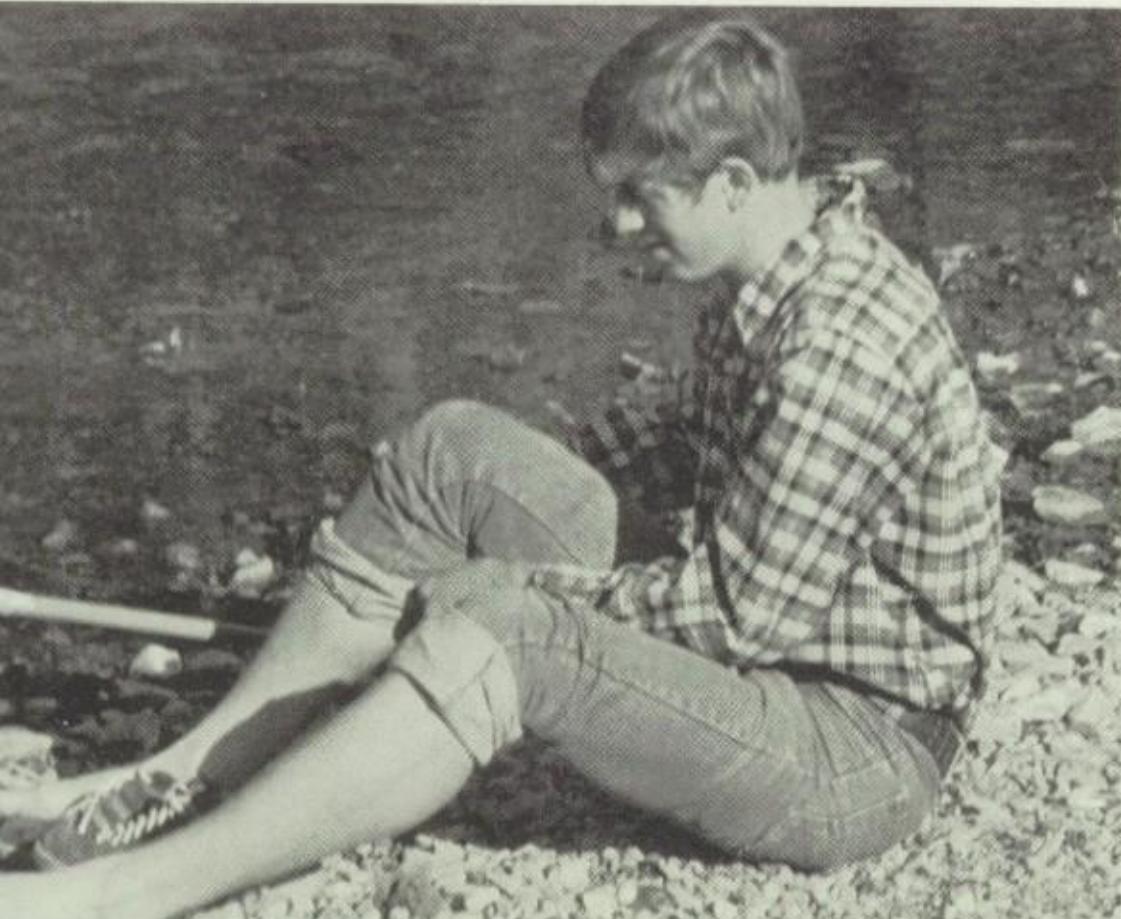

Letterman's Club buys the trophies for outstanding achievements of individual athletes. This year they raised about \$350.00.

Newspaper staff took a new approach in preparing our school's newspaper. Organization, leadership and teamwork were put into action all through the year. Their assignments were to inform and educate. Starting from gathering news and writing to typing and paste-ups, the staff always strived for perfection.

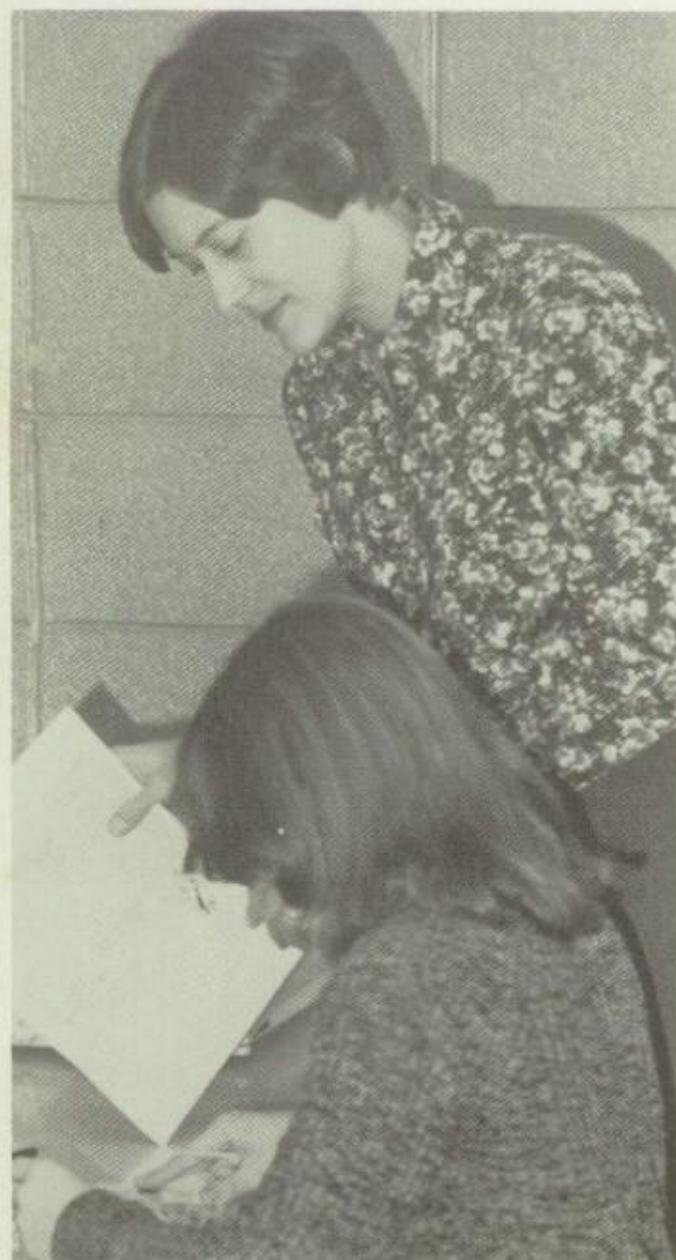

The new approach increased student interest in *Wolfcall*. Numbers of copies were increased from 200 to 275 because of student demand for the paper.

The eight-page paper consisted of Editorials, Sports, News and also And So Forth pages.

Yearbook Brings Color to '79

1979 marks the first year that the "Wolfpack" has had a color section. The Senior class voted to pay half of the cost since the color was in the Senior section.

Besides the new color section, there were several other changes in the annual and staff. For instance, 40 more pages were added to the yearbook. Also, the staff was the largest it has ever been. Out of the 30 people on the staff, only 9 had previous experience. It was also the first year for Ms. Kathy Hunter, the advisor.

Due to the overall inexperience of the staff, the usual frustrations accompanied the learning that emerged from the completion of the 240-page publication.

1979 was a good year for the Reeds Spring Band. They marched at our football games and played at some of our home basketball games. They also marched in the Bronson and Reeds Spring Christmas parades.

Their money making projects consisted of selling cookbooks, atlas' and posters. Also, they sold tickets for family portraits that were taken at the school. The money went for new band uniforms and their trip to Texas.

In Texas the band attended Six Flags for the Open Festival Competition.

The band attended contest at Southwest Missouri State University and received a 2 rating. The flute, clarinet and trumpet trios and the clarinet solo received a rating of 1.

The Child Study Lab, more commonly referred to as "tutoring," provides students with an idea of what a teaching career and working with children would be like. Some of the students stated that after seeing for themselves what teachers had to put up with, they wouldn't become teachers. For some, it has turned out to be what they needed to pursue teaching as a career. As in Mrs. Chris Eley's case, she once was a tutor when she attended Reeds Spring and now she is one of our fourth grade teachers. In all, each stated it was a very valuable learning experience.

Has a Year of Growth

A.F.S. has been in existence at R.S.H.S. for four years. During this time it has become a very popular club and the number of members has risen tremendously. This year we were fortunate enough to have two exchange students, whereas in previous years we have only had one.

Some of the activities were: a welcome party, a barn dance, surprise birthday parties, a chili supper, a Christmas party and an A.F.S. Dance-a-thon.

Student Council Aims to Please

The Student Council's main energies were geared toward service projects this year. The Council brought us the Citizen of the Month and the Citizen of the Year Awards. They were also involved in Share the Joy of Christmas and more money was collected than any other year.

Even though disco seemed to be the rage everywhere, pre-ticket sales to the Student Council sponsored St. Patrick's Day Dance were so low that a special assembly was called to promote the dance. The problem — if more people don't come, the school would not be able to have any further dances. The outcome — the dance took place but only a minimum of students supported the event.

The president of the student body was Glenn Thomas. Glenn ran unopposed, and he attributed his success to early campaigning.

The FHA worked hard in 78-79. They took on activities to not only better the surroundings, but themselves as well. A few of the activities included a rock-a-thon to raise money for Cerebral Palsy and a camping trip. The club also visited the Branson hospital and Rolling Hills Nursing Home during Christmas. Two of the highlights included the Regional Banquet and Mother-Daughter Banquet.

Sherry was one of the many who took part in the rock-a-thon to raise money for C.P.

Molly Jones was elected as second vice-president at Regionals, and was installed at the Regional Banquet.

Wolves Rob Pirates

The game between the Wolves and the Branson Pirates was more or less like an Ozark Super Bowl. The Wolves led by a 13-0 margin at the end of the second quarter. During the third quarter the Pirates made a touchdown to make the score 13-8. The Wolves played a tough game as did the Pirates. But the fine play by Senior Dennis Olsen showed to be the key factor as did the hard hitting by the rest of the Wolves.

Young gets easy yardage.

Cross Country was new to Reeds Spring this year. Coach Aversman decided to have a team to get the basketball players in shape for the upcoming season. Although kind of shocking to the Coach, the team did very well in the conference meet, placing 4th overall. The team also placed second in two other small meets. Not bad for the first year! Good luck in the future.

Head Coach, Glenn Aversman

The 1978-79 Basketball season was a big improvement for the varsity boys. The team had five players who averaged points in double figures. The team did more than their record shows. They won three conference games, which is more than any former Reeds Spring team has done since they've been in the G.C.L. Conference. They brought respectability back to Reeds Spring in basketball. The team also experienced a little weariness caused by playing twelve games in twenty-four days. This was caused by all the school missed. Great job guys, keep it up!

The J.V. did an outstanding job of working together as a team. The thing that shows their work the most is their record of 10 wins and 4 losses. Good job guys! Your hard work and dedication proved to be an important factor during the season. The season was rough not only because of the opposing teams but the delay of games from the bad weather.

This year the Reeds Spring track team did more than any team in the school's history. They brought home two major trophies and placed highly in another major meet. The Wolves brought home first place trophies in the Ozark Relays and also in the Greene County League meet. The Wolves were represented by five boys in the Missouri State Track Meet held in Jefferson City. The school was well represented by these five guys as Terry Blevins made it to the semi-finals in the 120 yard high hurdles. Derek Ryan made it to the finals of this same event and took fourth in the state in this event. David Hayward took a second place in the mile run, placing higher than any person in this school's history. Their combined scores added up to 13 points, which is more than anybody in the school's history has scored in the state track meet. And Derek and David will be back next year. Look for more things to happen with these two around. Good luck in the future to all the Reeds Spring tracksters.

Outstanding Athletes Receive Awards

Each year, an awards ceremony is held in honor of the athletes. This year, the ceremony was held in the high school gymnasium with friends and parents as well as athletes attending.

The coaches chose them according to their abilities, for various awards. A large number of girls and boys were honored for their efforts in the field of sports for the 1978-79 school year. The girls were in competition in softball, basketball and track, the boys competed in football, basketball and track.

During the ceremony, the basketball jersey "23" belonging to Debbie Piotrowski, was retired in honor of her outstanding performance.

It was a very enjoyable evening for everyone, especially the athletes. They all deserved the recognition for their hard work and dedication in supporting the school, the community, and their team.

These boys received awards: Front Row: David Hayward, Derek Ryan, Matt Emerson, I. M. Bishop. Back Row: Dennis Olsen, Kevin Hackathorn, Steve Stone, Jim Hollinger.

These girls received awards: Front Row: Kim Chastain, Debbie Piotrowski, Teresa Jones. Back Row: Sandy Richardson, Anna Grove.

Hively Sportsmanship Award Winner

Steve Stone was presented the Hively trophy during the awards ceremony the last day of school. The Hively award is presented in dedication to Galen Hively, a former student and athlete of Reeds Spring, who was killed in an auto accident in 1969.

The recipient of this cherished award is chosen by popular vote of participating athletes in all categories.

Trophy Collecting — What a Hobby!

The girls' athletic department was under new direction of Sue Cagle. This year marked the last season for a majority of our varsity players, most of whom have been playing ball since seventh grade.

Throughout the year most of their goals were accomplished, including: playing in the championship game in girls' class 2A State Tournament and winning the Sportsmanship Award. In addition, the team earned a spot on, "Athlete of the Week" sponsored by KY-3 T.V. on the six o'clock news report.

All of the hard work, determination and dedication has paid off because they have certainly earned a name for Reeds Spring as a leader in girls' conference basketball.

Girl's Track Team Shows Promise

Front Row: Teri Gregory, Wendy Wolfe, Melissa Smith, Debbie Smith. Second Row: Teresa Jones, Stacey Cadell, Julie Breshears, Sherry Stone. Back Row: Coach Sue Cagle, Evelin Cordes, Anna Grove, Lesa Hardin, Melanie Wolfe.

The '79 girls' track team was composed of mainly underclassmen. Of the twelve girls only two were seniors. The girls were up against some tough competition with large schools with more powerful teams but they compared quite well considering the size of the team. Some of the team's accomplishments were: taking second place at the Freshmen's Greene County League Track Meet with only three girls, Teri Gregory, Melanie Wolfe, and Sherry Stone. Also Teresa Jones and Lesa Hardin, both juniors, qualified for the State Track Meet at Jefferson City. Teresa qualified in the 880 yard run and the mile run. Lesa qualified in the 220 yard dash. Coach Cagle said she was proud of the team and their hard work.

Next year, ten of the twelve girls will be returning, and the experience will be essential to the team's success.

The 1978-79 Graduation was held on May 21 with one of the largest crowds ever to assemble in the gym. This may have been attributed to the cool weather.

Dr. John Bartholomy, President of Drury College, was the commencement speaker. He won the hearts and ears of the Seniors when he announced his speech would be only 7½ minutes long. This was verified by Jim Hollinger who got to sit on stage and time the speaker with his new watch.

FOOTBALL HOMECOMING

Football Homecoming created an atmosphere of excitement, anxiety and very high spirits throughout the customary "Spirit Week" as fans backed their team by participating in "round'em up day" and "red and white day". Throughout the week contests took place to promote high spirits by decorating lockers, and finally, class competition at Friday's pep rally. Each class tried to out yell the other. The pep rally was a great success and everyone was ready for the big win over Rogersville. The pre-game action consisted of the crowning of Junior, Deanna Donavant as the '78-'79 Football Homecoming Queen. The spirits soared as our mighty Wolves went on to zonk Rogersville, 14-0. After the game there was a Pep Club sponsored disco dance where everyone celebrated victory.

In spite of miserable weather, the Reeds Spring fans still showed pride and spirit as the Wolves zonked Walnut Grove, 69-59 at Homecoming festivities. Kalle Rea, Student Council Representative, was crowned as the '78-'79 Homecoming Queen by last year's queen, Lisa LaGrand. Because of weather conditions, eighteen days of school were missed, thus hampering plans to organize a dance. However, the fans were very anxious to come out and support the team.

Student Council

Mr. Allen and Mr. Brown helped the students organize a Student Council. Their main goal this year was to get everything organized for the coming school year.

Officers for Student Council this year are President, Rhonda Edwards; Vice President, Terri Presley; Secretary, Dona Welcher; Treasurer, Eric Wood, Student Council sponsor is Mr. Allen.

Math Team Wins Two First Place Trophies

The Jr. High Math team has ten members and four alternates. Five members are from the seventh grade and five are from the eighth grade with two alternates for each class. Membership and position on the team is gained by first quarter grades and testing.

This year the Math team has competed at School of the Ozarks and SMSU. Competition this year has produced two first place trophies. One trophy was won for the eighth grade by Eric Wood and Jay Ruby and the other was won by Lana Lyddon, LeAnn Underwood and Tammy Maxwell from the seventh grade.

Row 1 — Mr. Presley. Row 2 — B. Rathburn, J. Ruby. Row 3 — K. Bohn, K. King, J. Back, K. Mease. Row 4 — L. Underwood, A. Straw, T. Maxwell, L. Lyddon, L. Hitchcock, E. Wood.

Speak Up!

A group of public speaking enthusiasts was organized at the Jr. High to enhance and show off their ability to sound off and SPEAK UP.

The group was sponsored by Mrs. Siegel in the seventh and eighth grades and Mr. Strohm and Mrs. Catlin in the sixth grade. All working time was spent in Language Arts classes and after school.

SPEAK UP attended the annual Speech Festival held every year at Branson Jr. High. Reeds Spring students were the largest group entering the Speech Festival and brought home several awards.

Jr. High winners were Paul Keohan and Jerry Proffitt in duet acting, Anita Cleaver and Kristina Powell in humorous monologue, Steve Stewart in serious poetry and Stacy Anderson, Miss Keithley and Antionette Childs in Choral Reading.

The Wolves Street Journal staff was organized for the purpose of publishing a bi-monthly newspaper in the Junior High building.

The journalists worked independently of their regular classes and all meetings were held after school. Approximately 22 seventh and eighth graders participated regularly on the paper staff. Articles were also submitted by fifth and sixth grade class reporters or anyone wanting information published.

The Wolves Street Journal printed and sold over 200 papers each edition and was enjoyed by instructors and parents, as well as students. Regular features included news, horoscopes, swap-n-shop, faculty interviews, administrative reports, jokes, cartoons, community happenings, school calendar, song dedications, clever predictions, sport reports, and fifth and sixth grade happenings.

The first year has been very successful for the staff of *The Wolves Street Journal* and their sponsor, Mrs. Marjorie Siegel.

The Junior High Pep Club had a very busy year in 1978-79. They elected officers this year to help run pep club. In the past, the cheerleaders have done this, but they are very busy with cheerleading. Paige Gilchrist and Dona Wether served as President and Vice-President.

There were 36 people that attended more than half of all the football, boys' basketball and girls' basketball games. A record was kept by the sponsor, Clydelle Mayfield, of the members attending each game. At the end of the year, the members that have attended 75% of all pep club activities received an award this year.

Field Day Shows Talent

Junior High Field Day was held May 9 on the high school football field. Fifth and sixth graders participated in many events such as the ball throw, high jump, long jump, dashes and relays. There were blue first, red second or white third place ribbons for the winners.

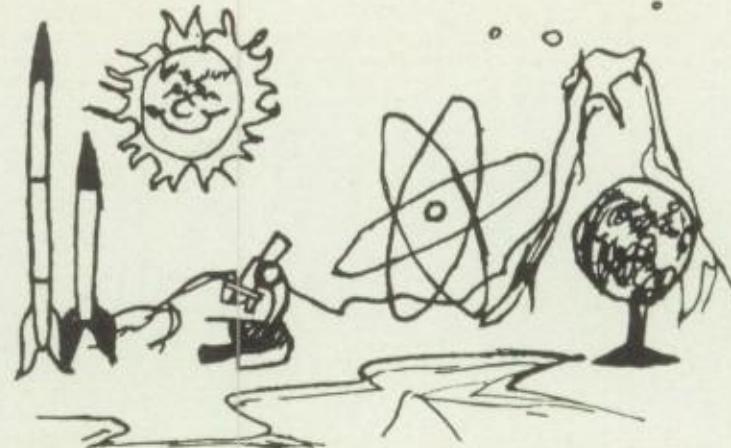

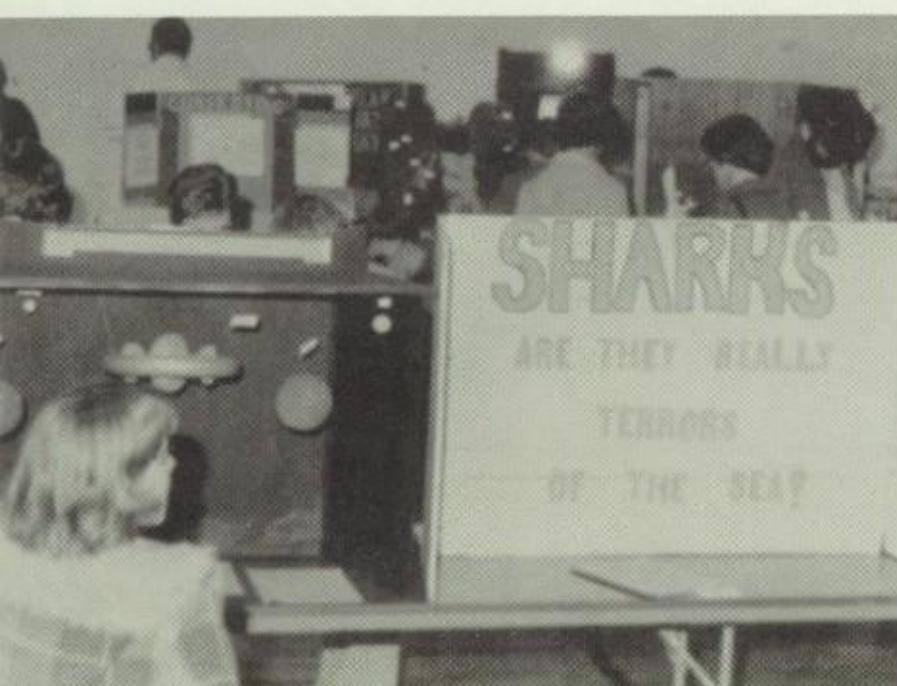

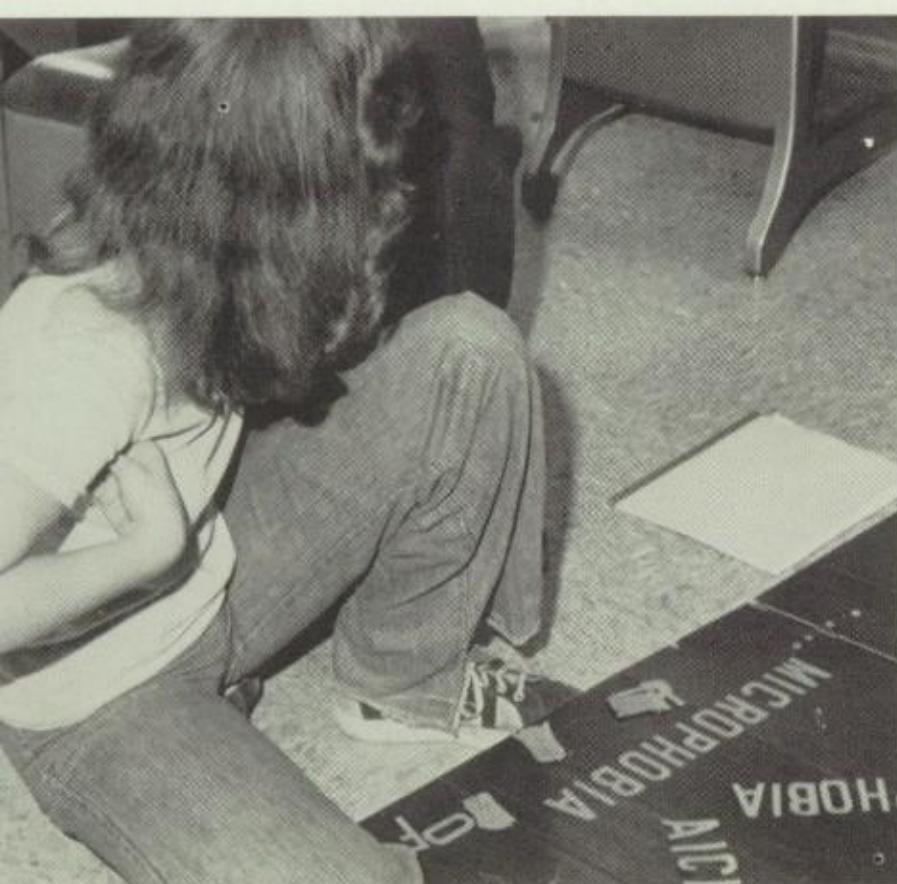

SPECIAL EVENTS

Science Fair

According to Mr. Bruce Powers, Jr. High Science teacher, the Science Fair was set up to give students a deeper understanding of science and an opportunity to experience the role of a scientist. Each student exhibited a project he or she has invented themselves. Two people may work on a project together if it is a little more difficult. These projects are judged on originality, creativity, the scientific thought behind it, and neatness. This year's judges were high school students in Mr. Childers science classes. They were Sandy Richardson, Jack Carr, and Tonya Lewis.

There were four categories of science; Earth Science, Physical Science, Zoology, and Botany. Each student had five weeks to work on their project. The winners were: 1st place Donna Langston, 2nd place Kim Mease and Paige Gilcrest, 3rd place Steve Stewart. Joanna Pearce was Grand Champion and Donna Langston was the runner-up Grand Champion. At regionals Donna Langston got the Air Force Earth Science Award, and Kim Mease and Paige Gilcrest got the Air Force Zoology award. All of the students should be commended on their great job.

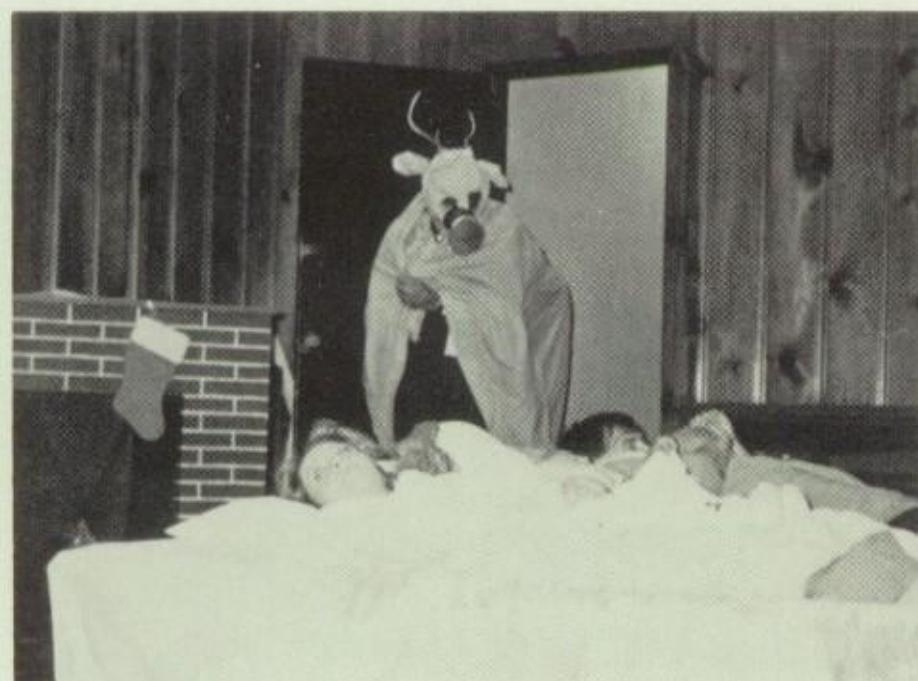

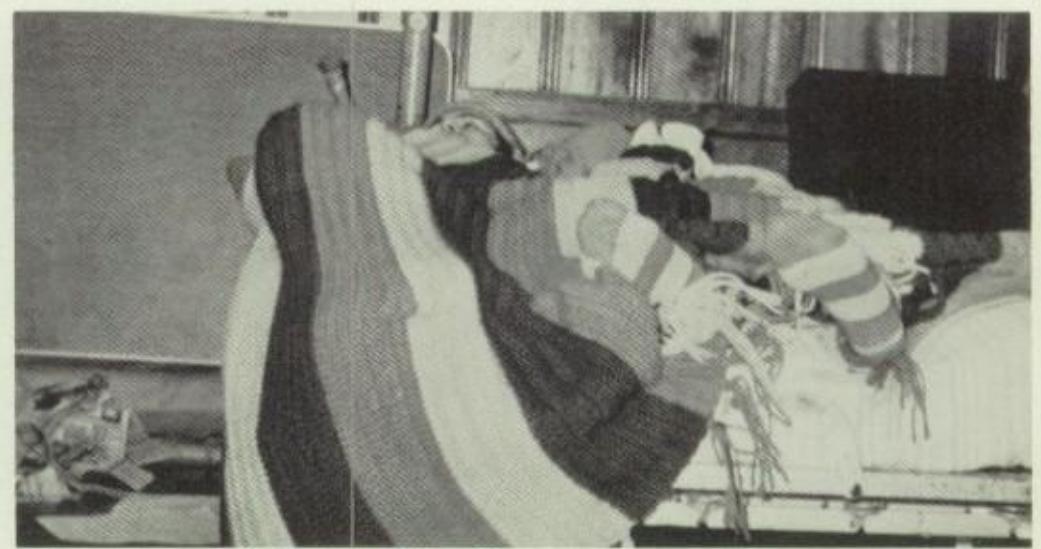

T'was the Night Before Christmas

It is a school tradition that the Junior High faculty entertain the students at Christmastime. This year they presented their own version of "T'was the Night Before Christmas."

Mr. Brown, alias Santa Claus, said, "The students liked the play because they could sit in the audience without a chaperone." Obviously, though, the faculty seemed to enjoy themselves as much as the students!

Those teachers not cast in the play comprised the faculty choir.

Eighth Graders Step Up to High School

Coats and ties, denim and leisure suits, lace and ruffles, and long, sleek dresses were what some of the young adults wore to their eighth grade graduation — one of the last scheduled events of the 1978-79 school year.

The event began with the welcome address by Erik Wood, president of the class, and then the eighth grade members of the Mixed Choir entertained with several songs.

Junior High Principal, John Brown, followed with the presentation of awards. Besides band and choir awards which were given at a previous ceremony, recognition was given to student council members, athletes, and cheerleaders. Two main awards went to Tom Scheppeler and

Barbara Lane for the Principal's Award and John Miner and Terri Presley for the Citizenship Award.

Athletic awards for the most valuable members of each event were presented to Debbie Marshall for girls basketball, Cindy Strickler for girls track, Erik Wood for boys basketball, John Miner for football and Jim Barry for boys track. The recipients of the Spirit Award were Dona Welcher and Joey Akers.

Of course, the highlight of the evening was the presentation of the diplomas by Superintendent Omar Gibson, which marked the farewell to Junior High and only four more short years to be enjoyed as High School students.

The Special One

Like the red roses against the summer's coloresque evening sky,
So is the special child, who warms us with her gentle smile,
She might not always understand why, but she has always cared.
She forces no one and keeps an open mind, for you a place in her heart
She has prepared.
Time is short, as the sun sets, the colors fade but its warmth and
Beauty in our soul remains.
So it is with the special child, in our mind, heart, and soul, her
Warmth and Beauty sustains.
Here is to you, Elizabeth Ann Thiem, you are the rose against
The summer's coloresque evening sky.

ELEMENTARY

A Day of Sun and Fun

Elementary students enjoyed May 18 during the traditional Field Day by participating in various events such as: high jump, rope climb, 40 and 50 yard dash, relays and jump rope.

Many parents arrived to cheer on their youngsters, and the day proved to be very relaxing and fun-filled.

Pictures of Field Day are courtesy of Table Rock Gaze

One weekend a month the U.S. Navy Sea Bees, commanded by Captain Doucey and supervised by Miss Sinclair, work to build a one-mile Nature Trail from the back door of the Elementary building (picture 1).

From the back door, the trail leads through a small field to a pond with steps (picture 3) and continues to a bridge crossing a small gully with steps on both sides (picture 4). The trail then ventures up a hill to more steps made from split trees embedded into the ground (picture 5) and leads to another pond. Then, on to a field of cultured lespedeza and milo (picture 7) inhabited by quail and deer. From the planted field, the trail follows the edge of the woods for about 50 yards then comes to a shaded pond (picture 9) where benches are to be placed for rest stops.

After a short rest, the trail begins to circle around toward the school across a bridge, yet to be built, over another gulch (picture 10) to the tree stump along the far side of the lespedeza field.

All in all, the trail is going to have a total of three ponds, two bridges, an amphitheater, and park benches to be enjoyed by many children for years to come.

HARTS SUPERMARKETS
SELLS FOR LESS

BRANSON, MO

The logo for Harts Supermarkets. It features the word "HARTS" in a large, bold, white serif font. Above "HARTS", the word "SUPERMARKETS" is written in a smaller, white, sans-serif font within a horizontal row of white rectangles. To the right of "HARTS", a white ribbon banner curves upwards and to the right, containing the text "SELLS FOR LESS" in a cursive, black font. The entire logo is set against a dark, solid background.
